AMENDMENT TO THE SPECIFICATION

Please replace paragraph [0002] with the following amended paragraph:

[0002] The present invention was sponsored by the United States Department of Agriculture <u>under USDA</u> Cooperative State Research Service Project under contract number Grant No. NEB 14-108 and the National Institute of Health under contract number RO3 A1051176-01. The government may have certain rights in the invention.

Please replace paragraph [0057] with the following amended paragraph:
